Draft Notification at page 49 ante.-

The proposal of the Revenue Department to modify Government Notification, Revenue Department, No. 10943, dated 1-12-1910 is not correct as that Notification issued under section 5 of the Indian Registration Act, 1908, has been superseded by G.N.,R.D.,No. 1941/24, dated 1-11-1940, and appears to be invalid in so far as it established the head-quarters of the sub-division of Masur, as the office of a Sub-Registrar can be established only under section 7 of that Act. It is therefore necessary to issue a separate notification under section 7 directing the establishment of the office of the Sub-Registrar at Umbraj. A draft notification for the purpose is sent herewith.

2. The draft notification at page 55 ante, as amended is in order.

 Shifting of-from, to

Government of Bombay,
 Revenue Department.
 Resolution No, 2732/45.
 Bombay Castle, 9th May 1947.

Memorandum from the Inspector General of Registration
 No. P.D. 274/Masur, dated 9th August 1946.

Copies submitted to Government, in the Revenue Department, Bombay, with four petitions in original addressed to Secretary to Government and four petitions in original addressed to the Inspector General of Registration.

2. The four petitions addressed to Government are from village Panchayats of Umbraj, Charsan, Choran and Chalsitane in the northern part of the registration sub-district of Masur, which demand the shifting of the Sub Registry office from Masur to Umbraj. The other four petitions addressed to the Inspector General of Registration are from the public of Igadi, A. Lawadi, Kinal and Charnoor situated in the southern part of the said sub-district which protest against the proposed shifting. This difficulty represented in support of both the demands is the same and that is of fording the river richna during rainy season.

3. On the examination of the case, I agree with the District Registrar, Satara that the question can be solved advantageously, whether from the point of view of the public or of administration, by exchange of certain villages between the sub-districts of Masur and Satara and that as the sum total of the advantages weighs more in favour of Umbraj than of Masur as head-quarters of the sub-district, the Sub-Registry office should be shifted from Masur to Umbraj and also that periodical visits by the Sub-Registrar to Masur should be arranged for the

benefit of the public registrant from the eastern side of the sub-district. These arrangements will certainly meet the exact demands of both the sides. Government may, therefore, be pleased to approve the District Registrar's proposals (1) to shift the sub-Registry office from Masur to Umbraj and (2) to arrange for periodical visits of the Sub-Registrar to Masur for two days in a week viz. Wednesday and Thursday from January to June.

4. The requisite draft notifications in duplicate are submitted herewith for approval of Government.

Resolution- The proposals made by the Inspector General of Registration to shift the Sub Registry office from Masur to Umbraj and to arrange for periodical visits of the Sub Registrar to Masur for two days in a week viz. Wednesday and Thursday, in the months of January to June, are sanctioned with effect from 1st July 1947.

The requisite notifications should be published in the Bombay Government Gazette.

Section 5(1) of the Indian Registration Act, 1908, inter alia provides that the Provincial Government shall form districts and sub-districts, and shall proscribe, and ~~and~~ ^{may} alter the limits of such districts and sub-districts. Sub-section (2) of section 5 provides that every alteration of such limits shall be notified in the official Gazette. Since the amalgamation of the deserted villages of Karadhol, Dhak and Anki with the inhabited villages of Golegaon, Bhiwade Budruk and Khazgaon, respectively, in the registration sub-district of Junnar in the Poona district ~~does~~ does not alter the limits of the said registration sub-district, no notification under section 5 of the said Act is necessary.
